

Conference on Boiler Performance Optimisation, Safety and Welding Excellence

Sunday,
MAY 11

08:30 AM to
05:00 PM

Hotel Centre Point, Ramdaspath,
Nagpur, Maharashtra

Event Schedule

08:30 - 09:00 AM	Registration		
09:00 - 10:30 AM	Inaugural Function		
10:30 - 11:15 AM SESSION 01	Boiler Process Optimisation for Flexibility to Ensure Safety, Reliability, Sustainability and Technological Upgrades		Shri. Anjan Kumar Sinha Technical Director, Intertek AIM, USA
11:15 - 12:00 PM SESSION 02	Welding Scenario, Challenges and Mitigation in Boiler Industry		Shri. Pradeep Joshi Founder & CEO, IN MENA Consultants
12:00 - 12:45 PM SESSION 03	1. Residual Life Assessment Of Boilers 2. Certification Of Boilers Under Regulation 376 (FF) And 376 (FFF)		Shri. Gajanan Wankhede Joint Director, Directorate of Steam Boilers, Maharashtra
12:45 - 1:15 PM	Lunch Break		
1:15 - 2:00 PM SESSION 04	Integration of Solar with Thermal Plants Along with Energy Storage Solutions for a Reliable and Sustainable Energy Future		Shri. Shyamal Chatterjee MD & CEO, Galaxy Solar Energy Pvt. Ltd.
2:00 - 2:45 PM SESSION 05	Use of Digitalization for Various Processes in TPP		Shri. Aabhas Vijay Chanekar AGM Operations GMR Warora Energy limited
2:45 - 3:30 PM SESSION 06	Material Characterisation of Super Critical/ A-USC Boilers & Welding Procedure Specification for the same		Shri. Pramod Kate Consultant, M/S Vyankatesha Engineers & Consultants
3:30 - 5:00 PM Panel Discussion	Challenges before the Power Sector in view of Flexibilisation	<p>Shri. Anjan Kumar Sinha Technical Director, Intertek AIM, USA</p> <p>Shri. Pramod Kate Consultant, M/S Vyankatesha Engineers & Consultants</p> <p>Shri. Pradip Mohapatra Head O&M, Adani Power Ltd Tirora</p> <p>Shri. Ibrahim Shaikh Head Operations, GMR Warora Energy Limited</p> <p>Shri. Amit Bankar Deputy Chief Engineer, CSTPS Chandrapur</p>	<p>Moderator Shri. Sanjay Joshi Ex. Sr. Vice President, IL & FS</p>
